This new development comprises a total of 45 homes and features 2, 3 and 4-bedroom apartments, arranged over 3 low-rise buildings. Their modern and attractive design and attention to detail, harmoniously blends in with the nature of its beautiful surroundings. The south/southwest-facing apartments benefit from abundant natural light and their large windows boast breath-taking views of the beautiful surrounding landscape, thereby creating a climate of relaxation and peace. With large ground floor terraces, sun-decks on 2nd floor and penthouses that welcome light, these homes offer great possibilities for those who enjoy the sunshine. The practical and modern apartment layout results in functional rooms that take full advantage of the space and reduce circulation areas. Apartments boast spacious and light-filled living rooms and dining rooms, and large windows with access out on to the generous terraces, which feature glass railings to pr...
