We now have a selection of these fantastic apartments available in Villamartin Residential Gardens. The development here consists of seven buildings, all with south or east orientation. We have a selection of these modern apartments available with either 2 or 3 bedrooms. All the apartments feature an open plan main living and dining room, with glass doors leading out to the terraces. Here you have views over the gardens and swimming pools. The Penthouse apartments have their own private solarium with stunning sea views. Back inside there is a large modern kitchen with a selection of appliances and an island, and there is also a separate utility. In either the 2 or 3 bedroom models all the bedrooms are good sized double rooms and come complete with fitted wardrobes. The Master bedrooms feature an En suite bathroom and there is a further additional house bathroom. Each apartment also has a storage room and parking space in the basement...
