We are pleased to introduce this fantastic development at Residencial Serenity apartments for sale in Benalmadena. This contemporary new development of 133 apartments consisting of 2, 3 and 4 bedrooms, in the sought after Benalmadena Pueblo with panoramic views of the surrounding coastline. Each apartment has been designed beautifully allowing lots of natural light into the property with the use of lots of glass. There is an open plan main living and entertaining space, A well appointed kitchen including a centre island and Bosch appliances. Spacious and relaxing bedrooms, and modern bathrooms with underfloor heating. And large terraces to relax or entertain on with stunning views. Each apartment comes with 2 private underground parking places and a large storage room. The communal facilities include a large swimming pool, gym, sauna and a clubhouse for owners and breathtaking panoramic views over the Mediterranean coast. The development i...
