We are pleased to present this new project of property for sale in Casares. This is a new project called Casares Homes, located in Casares Costa, consisting of 134 modern, luxury apartments with a choice of 2, 3 or 4-bedroom apartments. The properties are distributed across nine low-rise buildings. The orientation takes maximum advantage of natural light and the views overlooking the golf course and out towards the Mediterranean Sea. The communal areas of the resort include landscaped gardens, swimming pool and a gymnasium. It also comes with 166 parking spaces and 134 storage rooms. Inside your new apartment, design and comfort lead the way creating a light, homely feel in an attractive project. The homes will be finished to the highest standard with practical and modern room distribution allowing for the best use of space while retaining aesthetics and style. Spacious and light-filled, the living/dining areas are complemented by larg...
