Luxury Sea Front Apartments This new development of luxury two bedroom Apartments for sale in Torre Vieja is built in one of the last remaining areas first-line position to the beach. The apartments have superb frontal sea views, excellent finishing with modern materials, notably large lounges, built-in wardrobes in every bedroom, pre-installation of air conditioning distributed via air ducts, white goods and storage room included in the price. The apartments also have a stunning roof top communal swimming pool with Jacuzzi and views out to sea. This building is conveniently located to benefit from all of the facilities the La Mata town centre has to offer, like restaurants, shops, local transport, medical centre and the weekly market from where you can purchase your fresh locally grown produce. Located on La Mata beach, one step from the sea, the length of the beach, the quality of its sand and the clarity of its water make this enclave a ...
