New Los Montesinos Villas We now have available a selection of these new build modern villas for sale in Los Montesinos. These villas are being built to the highest of standards and come with 4 spacious bedrooms and 3 stylish bathrooms. When entering the villa you will find an entrance with a wardrobe which leads through to the open plan modern kitchen, dining area and living room. From here you have direct access out to the terrace, gardens and private swimming pool. Back inside on the ground floor you will find two spacious double bedrooms, a bathroom and a practical washing room under the stair case to the first floor. On the first floor you will find another guest bathroom, and the master bedroom. The master bedroom has en-suite bathroom. From the master bedroom and a hall way you have access to the terrace of 30 m2, from where you are overlooking the private terrace, garden and the surrounding area including the salt lake in T...
