We now have a selection of these stunning Finestrat villas for sale. Set in this new complex of just 40 luxury detached villas – the villas are available in three different models. Each villa has the beauty of offering stunning Mediterranean views out to sea and to the city of Benidorm. The two-storey properties comprise three bedrooms (all with fitted wardrobes), three bathrooms (with under-floor heating), fully-fitted modern kitchen (including BEKO/TEKA white goods and Silestone worktops), A spacious open-plan lounge/dining area, leading to a large terrace overlooking the private garden/swimming pool. There is also the amazing rooftop solarium, and a fully finished basement. Each villa is equipped according to the latest modern trends and using only the highest-quality materials.
