We now have this stunning collection of 46 exclusive Luxury Quesada villas for sale. Each of these high end design villas comes with 3 stunning bedroom suites and 3 stylish bathrooms distributed over one or two levels with access to their own private pool. The design and finishes seen in these villas is to the highest possible standards with options to include a wine cellar, home gym, sauna, and spa area. All the bedrooms are bright and spacious, and the bathrooms are very stylish. The whole villa has a great flow, from the main living space and kitchen area which extends out to the terrace and pool giving you views to the horizon and sea. The location is superb with all the amenities you need a short walk away and you are within 10 minutes from the sandy beaches of Guardamar.
