We now have available a selection of these Cerro del Sol townhouses for sale close to Villamartin. Each of the properties consists of two or three bedrooms, town house-style houses. With an exclusive design for the interiors and avant-garde architecture for the outside, complete with green areas, the properties are located across from a large tropical pool. Inside there are modern open plan living spaces, quality kitchens, spacious bedrooms and stylish bathrooms. Owners can also enjoy the great communal areas and these properties are totally secure with a vigilant security system. The development is located in the upmarket surroundings of the Spanish Mediterranean, close to four of the best golf courses in the area. Surrounded by the salt lakes of Torrevieja and La Mata, and near to one of the most important Nationals Parks of the Comunidad Valenciana (Sierra Escalona), with 150,000 square meters of Mediterranean Pine Forest.
