We are pleased to present one of the most beautifully presented villas for sale in Mar Menor Golf Resort. This 3 bedroom baron villa has been lovingly renovated throughout to a very high standard, and has stunning views over the golf course. Inside the layout has been changed to incorporate an open plan main living and dining area, with feature fireplace, and glass doors leading to the garden and outdoor bar and bbq area. Back inside there is a fully renovated kitchen with a selection of appliances and utility area. Every inch of this villa has been transformed including the 3 large spacious bedrooms with fitted wardrobes, with the Master bedroom and beautiful en suite bathroom, 2 further double rooms and a house bathroom. There is also access to the first floor terrace where you can relax and enjoy views over the golf course. This is a unique villa in the heart of the resort and must be seen to be appreciated.
