Palm Village is a newly constructed residential complex, of 95 houses, with 2, 3 or 4 bedrooms. Located In Estepona. The architecture has been planned down to the smallest of details, to achieve the perfect balance between contemporary lines and the characteristic white design of the villages throughout the Costa del Sol. Innovation and tradition combine in one of the most attractive developments in Estepona. Ground floor flats also enjoy a private garden; ideal for celebrating family get-togethers or simply filling it with an abundance of colourful flowers and plants and creating a magical corner of nature within your home. If you decide to come and live in our top floor flats, you will have a much larger balcony; especially designed for people who adore outdoor living areas. The finishes used in each property mean that every apartment in Palm Village has a light, modern feel, with a distinct mark of quality. **SWIMMING POOL & GYM** The sw...
