New Build Property Mallorca. We now have available a limited number of these beautiful New Build Properties for sale here in Cala Vinyas Mallorca. With just 20 properties available in this exclusive development. Currently the developers here are able to offer you the opportunity to actively visit the houses via a live virtual tour. Within this development there will be just 14 townhouses houses and 6 detached private villas, all set in landscaped communal gardens around the large communal swimming pool. Inside the homes have a modern contemporary design, with open concept living spaces, large expanses of glass throughout the home allowing in plenty of natural light and framing the stunning views on offer here. There are a choice of finishes available throughout the homes from the flooring to kitchen and bathroom options. With the selection of Townhomes and villas this gives you the choice of 3 or 4 spacious bedroom suites and 2 or 3 sty...
