New Townhouses Villamartin. We now have available this fantastic development of New Luxury Townhouses for sale set in Villamartin. This small gated complex of new townhouses contains properties with 3 bedrooms which all have access to the large communal pool. Inside the homes feature a modern open plan design with plenty of natural light throughout the homes due to the vast expanses of glass used, all have 3 spacious bedrooms with fitted wardrobes, 2 stylish modern bathrooms, and high quality modern kitchens. The location of this development is superb as you are only a short walk away from the main Villamartin Plaza with its fantastic selection of bars and restaurants available and all the amenities you need. The popular Villamartin Golf Course is also located here and is a real test for golfers of all levels and abilities. You are also close to the La Zenia shopping centre and the blue flag beaches here with some of the best at Cab...
