We now have available this recently renovated villa for sale in the popular area of Sucina. The villa sits in its own private plot of 295m², and is very well located in the urbanization. The house has an internal area of 95m² of useable space, which is distributed over the open plan living room with feature fireplace. A modern well appointed kitchen with a selection of appliances, and access to the rear terrace with bbq and the front terrace and private swimming pool. Back inside there are 2 spacious bedrooms both with fitted wardrobes and a modern bathroom. Outside the villa has had the full facade renovated with new render and tiling, and new exterior lighting. To the upper floor there is a large bedroom which accesses the roof top solarium and 1 bathroom with hydro massage column. All the rooms are very bright, and the main living room has high ceilings which provide lots of natural light. Outside there is a large, very nice beaut...
