We are pleased to present Arroyo Beach Apartments situated in Estepona. Arroyo Beach is a luxury development located just 150m from the beachfront in Estepona. The project consists of 39 modern apartments with different levels available which are distributed over six blocks. There is the choice of either 2 or 3 bedrooms which all come with large terraces. The penthouses offer a stunning rooftop solarium which gives you an additional living and entertaining space with amazing sea views. Inside all the homes have an open plan main living space which can be extended out onto the large terraces. They come complete with a modern fully fitted kitchen with appliances, spacious bedrooms with fitted wardrobes, stylish bathrooms, hot and cold air conditioning and there is secure parking available. Outside in the communal areas there is a large beach style swimming pool surrounded by spacious green areas where you can relax and enjoy over 30...
