Vista Lago Residences Benahavis. We are pleased to present this stunning project of just 18 unique villas known as Vista Lago Residences set in Real De La Qunita here in Benahavis. Vista Lago Residences offers you the chance to create a bespoke home in this privileged location here in Benahavis where the homes nestle into the surrounding landscape and environment, whilst their elevated position offers the most amazing views out over the ocean. Each home will be unique and have a level of customisation available with different options for the spaces and finishes throughout the home, with all the materials used in their creation and finishes available being of the highest possible standard and quality. The design led villas have been carefully thought out in the design and orientation of each home within its private plot, making the most of the space and views on offer here. All the main floor living space flows seamlessly throughout the home...
