Elements Marbella. We now have this stunning new development of luxury elements apartments available for sale, located in the Los Monteros hills above Marbella. Located in this secure and gated complex, we have some of the last remaining properties available from phase 1 and phase 2 is now underway. Set in this beautiful elevated position on the hillside surrounded by nature and the mountains these homes offer peace and tranquility with panoramic views over the ocean. Inside all the properties are being constructed to the highest standards and will have a modern open plan layout for the main living, dining area with direct access out to spacious terraces where you can enjoy the 300 + days of sunshine each year from their south orientation, and take in the amazing views on offer. Back inside there will be a modern high quality kitchens with appliances and you have the choice of between 1,2,3 or even 4 spacious double bedrooms with fitted...
