New Aguilas Apartments. We now have this selection of stunning New luxury Aguilas apartments for sale with sea views, set here in Aguilas. There are a choice of beautifully designed new 2 and 3 bedroom apartments available for sale here set over different floors. Inside each apartment enjoys large spacious rooms which flow seamlessly throughout the home from the main open plan living and dining area, modern fully fitted kitchen with appliances which all feel connected to the outside. This allows you to extend the space of the home out onto the private terrace and take in the ocean views. Back inside you have the choice of either 2 or 3 spacious double bedrooms with fitted wardrobes and there are 2 stylish modern bathrooms in each apartment. Outside within the communal spaces there are landscaped areas with terraces around the large swimming pool. All the properties here come complete with a parking space, private storage room and pre-i...
