We have for sale this grand house to be reformed with pool and sea view. Located in a very quiet urbanization at no more than fifteen minutes from Palma this house has four double bedrooms and three bathrooms (two en suite). With two big terraces (one covered) with sea view, a large kitchen and a great living and dining room space with direct access to the terrace. Outside in the lovely mediterranean garden with tall pine trees there is a big pool and a covered outside barbecue area with another kitchen. From the garden there is an access. With direct access to the kitchen there is also a garage with a grand car port enough to park six cars outside. Another interesting feature of this property is the possibility to build more. The house is fitted with oil central heating. This house has a lot to offer and just need a proper reform to be converted in a fantastic family house. Don't hesitate to contact us at +34 640 97 49 11 if you need more...
