Townhouse For Sale Los Alcazares. We now have available this fantastic townhouse property for sale located in Los Alcazares. The property has been renovated and finished to a high standard throughout by the current owners and it enjoys a great position with the main 525 plaza only a short walk away. There is a private front terrace area which is a great space for relaxing or entertaining which leads into the property. From here you have access to the large main living room, a separate good sized dining room area, and the well appointed kitchen complete with appliances. There is also on the ground floor a spacious double bedroom with fitted wardrobes which has access to the renovated ground floor bathroom. Upstairs there are a further 2 spacious bedrooms with fitted wardrobes which have access to the main house bathroom and the fantastic sun terrace where you can take in the 300+ days of sun we get here each year. The property is finished ...
