We now have available this amazing luxury villa for sale located on an elevated plot with ocean views in Campoamor. This amazing home has been designed and constructed to the highest standards using the finest materials by one of Spain's leading developers. Sitting within the plot the villa has been positioned to give the best views from the terraces, Infinity pool and bedrooms out over the sea. Inside the home is distributed over 4 Levels. The main floor has the beautiful open plan living space, dining area and high quality kitchen and can be extended out to the terraces via the opening full height glass doors. Back inside the lower level has a games area, wine cellar, garage for 2 cars and can be used for a variety of different things. The villa has 4 spacious bedroom suites and 4 stylish modern bathrooms, with the first floor bedrooms having access to a wonderful terrace offering even wider panoramic views over the ocean. All...
