New Apartments Santiago De La Ribera. We now have this fantastic new development of luxury new apartments available for sale. Located on the second line to the beaches of the Mar Menor, you are within walking distance to the beaches and all the amenities you need. Here we have a choice of either the ground floor properties or duplex penthouse apartments for sale, all with 2 bedrooms and 2 bathrooms. Inside all the homes have bright and modern open plan main living space, for the lounge, dining area and fully fitted kitchen with appliances. This main space can then be extended out to either the private ground floor gardens, or first floor terrace space. With the first floor units from this terrace you then have access to your own private roof top solarium. Back inside the apartments all have 2 spacious double bedrooms with fitted wardrobes and 2 stylish modern bathrooms, with a choice of finishes available. Outside there are beautiful commun...
