New Apartments Guardamar. We are pleased to present this new project of stunning beachside apartments here in Guardamar. This small and exclusive development is being built to the highest standard using the best materials. Here you have a choice of homes from the spacious ground floor properties with private gardens, to the Penthouse homes with private solarium, all enjoying fantastic views out over the ocean. The location here is superb with the fine sand beaches just 800m away from the development. Inside the homes you will find a modern and bright open plan main living space, with the lounge, dining area, and kitchen all flowing seamlessly throughout this space, and being able to be extended out to the terrace where you can take in the views over the ocean. Back inside you have 3 spacious bedroom suites with fitted wardrobes and 2 modern stylish bathrooms. For the ground floor model with private garden and top floor with private s...
