New Apartments Murcia. We are pleased to present this unique project of luxury apartments located in the heart of Murcia city close to the Cathedral square. The reformation of this iconic building will create a limited number of these stunning homes, with 3 levels and the top floor duplex property. Inside they will create a beautiful open plan and bright modern living space, to enjoy dinner with friends and family in the dining space, and open plan modern kitchen. Each home has a total of 3 large and spacious double bedrooms, and 2 modern stylish bathrooms. The top floor duplex apartment also enjoys a roof terrace with panoramic views over the city. Back inside in the lower level is a communal indoor gym, pool/spa area for residents to enjoy. The developers here are preserving and enhancing many of the original building to keep the character, whilst modernising the property for owners to enjoy. The location here is superb, with everything ...
