New Apartments Casares. We are pleased to present this amazing new project of apartments set in this elevated position offering panoramic views of the ocean here in Casares. The complex is made up of 7 residential buildings, distributed on the ground floor plus 2 floors, located in a closed residential community, which provides an important factor of privacy and security. The orientation of the properties is set to the south, filling the homes with light and all day sunshine. Designed in an avant-garde and contemporary style, the apartments and penthouses have been conceived to enjoy open and bright spaces. The houses have functional and modern distributions with an open plan design to the main living space, large double bedrooms with fitted wardrobes and direct access to the terraces and views and stylish modern bathrooms in every home. One standout feature is the excellent construction qualities focused on efficiency and energy saving a...
