We are pleased to present a unique opportunity here in Sierra Blanca with these 2 Villas For Sale. Located on a total of 4,000m<sup>2</sup> plot, and over 1,000m<sup>2</sup> built the homes offer the possibility of securing a very desirable plot here. Currently there is a total across the villas of 10 bedrooms and 6 bathrooms. This could be kept and split with one main residence and a separate one for family, friends, or as an investment property to rent out. The other option could be to demolish the current homes and create one new unique villa over both plots with incredible views of the ocean and La Concha mountain. Currently both homes have a traditional Spanish style and large reception rooms, bedrooms, private gardens and swimming pools, and both have amazing sea views. The plot benefits from a south orientation making the most of the 300+ days of sunshine here each year. CONTACT US FOR MORE INFORMATION
