Finca Cortesin Apartments. We now have this new Residential Development of 32 homes including apartments and townhouses. This unique project is located on an elevated plot within what is considered to be "The Best Golf Resort in Europe" Finca Cortesin. One of the main characteristics of the development is its low density in construction, and its amazing views out over the course and ocean. Set on this elevated plot this exceptional characteristic allows for the development of homes with large rooms and large terraces with a vanguard architecture visually very attractive, elegant and relaxing. Carefully selected qualities and generous open spaces designed for full enjoyment. With a choice of different levels, bedroom options and more available here, there is something for everyone. All the homes have a modern open plan design, spacious bedrooms, and modern stylish bathrooms. CONTACT US FOR MORE INFORMATION
