-  **4 Bedrooms**

As the name Viewpoint suggests this beautiful villa enjoys spectacular views. There are just four lovely properties in this private road and the current owners have maintained and improved the property. There are four double bedrooms, two with en suite bathrooms and a further family bathroom. The spacious living and dining room have elevated ceilings with patio doors leading to a large barbeque and dining terrace with panoramic views to the Mar Menor Lagoon and Mediterranean sea. The kitchen is fitted with integrated white goods and the property is beautifully furnished throughout. The private swimming pool is surrounded by terracing and the large plot provides sunshine throughout the day, all year round. Surprisingly, given this property has such a wonderful open vista, it is remarkably private and therefore has all the favoured criteria for a private villa in La Manga Club.
