This modern finca is being built on a plot of almost 15,000 m². The project is located near the lighthouse of Ses Salines. With a constructed area of 420 m², this finca offers enough space for four bedrooms. You enter your future home and find yourself in the spacious entrance area with adjoining staircase. To your right is a bedroom with en suite bathroom, as well as the garage. Straight ahead, you look out onto the leafy inner courtyard, which promises a mild climate in high summer. To the left is the kitchen, adjacent to the open-plan living/dining area. From here you have access to the terrace with Mediterranean plants and the 9*4m pool. Upstairs you will find three more bedrooms. The master bedroom of course has an en suite bathroom. Two other bedrooms share a bathroom and a sun terrace. Of course, the finca will be state of the art. Naturally, air conditioning and underfloor heating are installed, operated by an air heat pump. T...
