Stunning, luxury 4 bedroom designer villa with sea views in Bonaire, Alc dia. This modern villa in Bonaire, has been designed for maximum enjoyment and will delight the senses, making it the perfect oasis and ideal place for a getaway under the Mallorcan sun. Once completed, this luxury villa project for sale in Alc dia will offer a stunning, contemporary property built to the highest standard. It will be equipped with top quality materials and state-of-the-art design and will enjoy a private garden in an established setting, overlooking the countryside and the bay. The house will be distributed over three floors: The upper floor offers a large open plan space, with large full height windows that will permit plenty of natural light, garden views and direct access to a covered terrace. The kitchen will be open to the dining room and will be of elegant and minimalist design, including an island and fully integrated appliances, there will al...
