Price: 850,000€

-  Land
-  Inca
-  1671m² Plot Size:
-  Pool: No

For sale two plots in Inca in the area of Avenida Reyes Católicos of about 1.372m² and 299m². The two plots are together and have a buildable area of more than 2.000m², it is necessary to demolish, you can build up to 21 houses if you divide the plots, basement (if it is for parking you can use 100% of the plot and up to 75 underground floors) you can build a communal pool or commercial premises. On one of these plots it is possible to build Pb+2 (the small one on the corner) and Pb+1 on the big one. Price negotiable and exchange can be considered as long as the plot is not mortgaged. If you are interested in these plots or would like to arrange a visit, please do not hesitate to contact First Mallorca.
