In this property the Master Bedroom suite is on the top floor with a dressing room and large bathroom. Through the patio doors of this bedroom and from the terrace there are stunning ocean views. The living and dining room are spacious and well furnished and the modern kitchen leads to its own Al fresco dining area. There is also an outside undercover lounge off the dining room for pre dinner drinks or a nightcap! On this level are two further double bedrooms and a family bathroom. On the lower floor is a further double bedroom with en suite bathroom and patio doors leading directly on to the pool terrace. The private swimming pool is set in an easily maintained garden with graduated terraces to the very top of the property where an additional private terrace and barbeque can be found. The villa has a large integral double garage. Please note: Some of the furnishings shown are not current. To see precise location click on 'show Property locati...
