We are pleased to present this fantastic new project of villas for sale, located here on the Lo Romero golf resort. This new project contains 3 models of villas with a range of different options to suit everyone. With this model of the villas you have a modern open plan design for the living and dining space, a fully fitted kitchen with appliances, and access out onto a private terrace area. Back inside there are 3 large double bedrooms with fitted wardrobes and 2 stylish modern bathrooms. Outside these villas have access to the large communal gardens and swimming pool area, and enjoy fantastic views over the resort and down towards the ocean. You are just a short drive into the main town of Pilar with all the amenities you need, and the stunning blue flag beaches. CONTACT US FOR MORE INFORMATION
