Santa Rosalia Resort Signature Villa. Just launched and with less than 5 homes available we have these incredible Perigord Signature villas available for sale, set here in the award winning Santa Rosalia Lake & Life Resort. Set in a fantastic location adjacent to the beach club on the second line to the lagoon, the homes enjoy large private plots. The design of these Perigord Villas is superb with the home being separated into two sections as a day and a night wing. The 2 parts of the home are joined by a full length glass corridor, which greets you from the main entrance door, and extends the full length of the home, providing lots of natural light. Within the daytime part of the home, you will find a stunning modern open plan main living space. Here you have the modern fully fitted kitchen, complete with appliances, and central island unit, to one end of the kitchen is a hidden door which takes you into the separate utility area. ...
