Las Colinas Golf Villa For Sale. We are pleased to present this stunning private Villa for sale located here in the award winning Las Colinas Golf Resort. Set within an elevated plot in the Ciruelo Community the home enjoys a south orientation with far reaching views over the forest and towards the Golf Course. The villa has 2 main entrances with the lower level of the home containing a garage for 2 cars and private driveway. Then there is the main pedestrian entrance with video entry system. Coming into the villa you are immediately greeted by the stunning views from the floor to ceiling windows and doors. These can be opened back to extend the footprint of the main living and dining area out onto the large terrace and private infinity swimming pool. This is a great space to relax and entertain whilst enjoying the 300+ days of sunshine here each year, and the views and surroundings of nature. Back inside there is a well appointed modern k...
