Montemares Las Terrazas is positioned due south in La Manga Club in an elevated location. The properties in this community are built surrounding a lovely community pool and gardens and are a variation of apartments, large duplex properties and villas. One of only three semidetached villas in this community this property looks out to the Mar Menor Lagoon and enjoys wonderful views across La Manga Club. The villa is completely refurbished to a very high standard. There are five double bedrooms and two separate kitchens. The generous living and dining rooms are open plan to the well-designed kitchen with an additional TV room on this level. Also there is a Living/TV/Games room which has direct access to the gardens and Community swimming pool. The Villa has been refurbished to a very high standard. Further terraces lead from the elevated living areas, Master Bedroom and Guest bedrooms. To see precise location click on 'show Property location'.
