For sale with a fully working and profitable business with demonstrable cash flow, with a steady clientele for years. It is a bar located in a key area, as it is surrounded by five schools, as well as a medical centre, which boosts the clientele even more. This business is ready to operate from the first day, as it is sold with all the equipment. It has an indoor capacity of 26 people, and a terrace for another 12 people. If you are an investor, here you can find your opportunity.
