Set of three premises in one for sale as a hardware business. It is located in Magaluf, and in full operation. It is a well-known business for years in the area, with no competition in the area, so there is a market oligopoly. The price includes the current inventory of the business, so it is ready to open from day one. The current owner also undertakes to train and support the buyer for a period of six months at no additional cost. There is an option to buy the premises only, for a price of 250.000 â‚¬. However, it is ideal for passionate people who want to develop a stable business future, with free training.
