This Developer is known to be amongst the best builders in the Murcia region and, in particular, here in La Manga Club. With land in La Manga Club at a premium this development of five only villas now gives a buyer the opportunity for a resale in this unique area. This prestigious location, just above the beach at La Cala Cove is unrivalled. This incredible contemporary designed villa has an abundance of glass windows creating light and airy accommodation and the private courtyard garden is landscaped to ensure limited maintenance. There are several areas of terracing which complement a wonderful infinity swimming pool. With only this one property of this style currently available the villa is to be sold to include all white goods and comprises five large double bedrooms and five bathrooms. The living room, master bedroom and two of the guest bedrooms enjoy the amazing vista and the ground floor accommodation, currently provides two furts...
