Las Brisas is located on the periphery of the South Golf Course adjacent to the protected Parc Regional. This beautifully presented family villa, prides itself in the privacy and tranquillity of its plot and has been exceptionally well maintained by the current, first and only, owner. With under floor heating throughout, five excellent double bedrooms and four bathrooms the villa has additional versatile rooms. These include a poolside garden room, a games room, large attic room and a lower floor providing a huge storage area. There are many additional features. Viewing is the only way this property can be appreciated. The property has had continued enhancements which includes the wonderful garden room and covered barbeque area both offering all year round use for dining and relaxation. The spacious low maintenance garden supplements the sun terraces and provides wonderful surroundings to the private salt water swimming pool. Furniture available...
