This exclusive new development is being built directly between the districts of Santa Catalina and Son Espanyolet, only a 10-minute walk from Palma's old town and 5 minutes from the Palma, Sport and Tennis Club. The liveliest places in Palma - from their terraces you can experience the Mallorcan life of both districts. A place to breathe and enjoy the Mediterranean lifestyle. This sustainable building, where quality is paramount, guarantees quality materials, comfort and well-being. A design with elegance and attention to detail. In total, this innovative luxury project comprises 25 flats, 3 of which are duplex penthouses with sunny, private roof terraces and an additional 2 pubs on the ground floor. The luxury apartments offer either 1,2 or 3 bedrooms as well as a comfortable living room with integrated kitchen, which extends far beyond the large window front to the comfortable terrace. The complex is spread over a total of 5 floors. F...
