Set within the desirable and exclusive Enebro Community the villa enjoys one of the most prestigious locations in the heart of Las Colinas Golf & Country Club. The views from this villa are simply amazing and hard to find within the resort, as the home is nestled into the forest and all the floor to ceiling windows invite you to connect with nature and to disconnect from the rest. The distribution of this villa is divided into 3 floors. On the main floor there is an open plan design kitchen with a central island, which opens out to the living and dining area.
