Las Colinas Golf Resort Enebro Villa. We are pleased to present this beautiful private villa, located here in the Enebro community at the award winning Las Colinas Golf Resort. This unique private villa was designed to be a home of two parts with its daytime and nighttime wings. As you look at the villa the smaller building to the right is the daytime wing containing the main living, dining and kitchen area, all of which can be opened out to the vast 2,000m² private gardens, swimming pool and terraces. Here you have plenty of space to relax with family and friends by the pool in complete privacy. The second part of the villa being the taller building which is connected to the daytime section via a glass corridor is the nighttime wing. This houses the 4 spacious double bedrooms over 2 levels.
