Acacia Villa Las Colinas Golf Resort. We are pleased to present one of the best and most private villas for sale here in the award winning Las Colinas Golf Resort. Located here in the established Acacia community, this villa offers complete peace and privacy here in the resort. Set down in the forest and surrounded by trees this is a very unique opportunity. The large 600m² plot enables you to relax or entertain with family and friends in a variety of spaces, from the garden area complete with putting green, private infinity pool, terraces or outdoor dining area complete with summer kitchen and bbq. Inside the whole property can be opened up to extend the indoor space to these terraces via the full height glass doors, with the main living room ones able to be hidden away into the wall giving you a seamless transition from inside to out. This main floor living space comes complete with dining area, lounge, and fully fitted kitchen which ca...
