New Mandarin Villas Las Colinas Golf Resort. We are pleased to present these New Mandarin Villas located here in the award winning in Las Colinas Golf & Country Club. Each villa set in its own large private plot has a modern design with unobstructed views. The Mandarin community here in Las Colinas is a very private and quiet location with views to the natural forest and south-west orientation to enjoy the mediterranean sun. Inside the homes have a modern open plan design with large expanses of glass allowing for lots of natural light and the ability to create a seamless flow from the internal spaces to the outdoor gardens, terraces and private swimming pool. Back inside you have high quality modern kitchen, 3 spacious bedrooms and 2 stylish modern bathrooms. Within some of the plots you have options to customise the homes to include a basement and garage also. Las Colinas Golf Resort is one of the best golf courses in southern ...
