A new project of luxury villas. Only 15 villas with the best views and stunning design! The luxury villas in Finestrat, Benidorm that you mention sound stunning. With 3-4 bedrooms and 3 bathrooms, they offer a spacious and comfortable living space. The excellent finishes and top qualities, including Porcelanosa materials, guarantee a high level of luxury and durability. The presence of a private pool adds an upscale and relaxing touch. The ability to have a lift is a very convenient feature, especially for properties with multiple levels. Additionally, having a finished basement offers additional space for different uses, such as a cinema, game room, or home gym. In terms of investment, this property seems to be an excellent option in the area of Finestrat, Benidorm. The combination of high-end features, desirable location and customisation possibilities make these villas very attractive for both permanent residence and holiday rental. Und...
